## SUMMARY:

Hi, I am a Professional Front End Web Developer. I have 3 years of experience helping businesses and individuals establish an online presence that reflects their unique identity and goals. My expertise in Frontend Development and WordPress allow me to create dynamic and functional websites that are both visually stunning and highly functional.

## DEVELOPMENT SKILLS

**Expertise:** HTML5, CSS3, JavaScript, jQuery, Bootstrap, SCSS, React Bootstrap, Tailwind CSS, React.js, React Router, Stripe.js, React Query/Tanstack Query, Firebase, GitHub, and w3 validator code.

**Comfortable:** React Hooks, React-Redux, React-toolkit, Node.js, Express.js, JWT, MongoDB, Mongoose.

**Familiar:** Style Component and TypeScript.

**CMS Expert:** WordPress, Theme & Plugins customization, Elementor, Divi page builder and Woo-commerce
